NOTICE TO CUT TALL WEEDS AND GRASS

Property owners in the City of Garrison are required to mow weeds or grass before they exceed 8 inches tall, under Chapter 12 Public Nuisances of the City of Garrison Code of Ordinances.

If the tall weed or grass on a property is determined to be in excess of 8 inches tall, such weed or grass will be cut by the City of Garrison at \$10 per day until the property owner cuts, destroys or removes such. This daily fine will continue until the property owner notifies the city office in person or in writing that the situation has been corrected.

When a fine is imposed, the actual cost thereof, if not paid by said owner prior thereto, shall be charged and assessed against the property.

No further notice to individual property owners is required under Chapter 12.
